CONTACT: Pamela Voisin (828) 551-6839, brsbrass@gmail.com

The Blue Ridge Symphonic Brass concert scheduled for Sunday, March 22 at Trinity Presbyterian Church Hendersonville has been cancelled and will be rescheduled for a later date. Like many organizations in our area whose events gather people together, The BRSB's primary concern is the safety and well-being of our audience and performers at our public performances.

The BRSB also has a concert scheduled for May 3 at Cathedral of All Souls Episcopal Church in South Asheville. We will continue to monitor developments in regard to the coronavirus and will make decisions about the May concert in the coming weeks. Music lovers can check the BRSB website at www.blueridgesymphonicbrass.org for updates.
